Ms. Solis:

Attached are digitized Mather and Castle system maps. ARC files (vendor name ARC) are for the industrial area of Mather. GV (Golden Valley vendor name) are the complete set of maps for Castle. As indicated, we have one more map to digitize and its the housing area of Mather. Hopefully, it will be done today.

As far as drug testing, we did not get part-time employee at Castle into the drug testing pool until this year. We have already sent you his last drug test.

Ray

Ray,

Here are the maps we already have digitized. The 2 for Mather Industrial and the 4 for Castle from Golden Valley. We are having Mather Housing digitized today.

If you have any questions please feel free to contact me.

Ms Solis:

Mark sent the two maps to a local blue printing company today. Hopefully, we will have digitized copies back by the middle of next week. As soon as I have a copy I will email to you.
