MIXED SHIPMENTS**

When one or more commodities for which rates are not provided in this tariff are included in the same shipment with commodities for which rates are herein provided, the rate or rates applicable to the entire shipment may be determined as though all of the commodities were ratable under the provisions of this tariff at the combined weight of the mixed shipment; or, the commodities for which rates are provided in this tariff may be transported at the applicable rates provided herein, and the commodities for which rates are not provided herein may be transported at the rates provided in other tariffs or at rates which might be otherwise applicable, provided separate weights or other authorized units of measurement are furnished or obtained. In the event the latter basis is used, rates no higher than those provided in this tariff shall apply to the entire shipment.

**ITEM 60 ◇  
DIVERTED SHIPMENTS**

1. When shipper or shipper's representative specifically requests a change in destination or routing of a shipment after transportation commences, the shipment will be considered to be a diverted shipment.
2. Charges for a diverted shipment transported under the distance rates in Item 310 shall be computed at the applicable rate in effect on the date of shipment from point of origin via each point where diversion occurs to final destination, plus a maximum additional charge of \$51.50 for each diversion.

**ITEM 64  
SHIPMENTS TRANSPORTED BY TWO OR MORE CARRIERS**

When a shipment in continuous through movement is transported by two or more carriers, the rate level authorized in paragraph 1 of Item 24 from point of origin to point of destination shall be the maximum fixed rate level for the combined transportation. A shipment moving at a Commission authorized deviated rate level shall be transported from point of origin to point of destination only by the individual carrier so authorized to quote and assess such rate level (see EXCEPTION).

EXCEPTION—For the purposes of this item Independent Contractor Subhauliers shall not be considered as separate carrier.
